“ *We met Pat & Davis over 15 years ago while they were living in Vienna and have enjoyed getting together with them for meals, outings, holidays, family events and just to spend time together. Granddaughter Katie came with her grandparents to visit us. She had one of her first fishing lessons fishing the pond at our house while everyone cheered when she caught her first fish.*

*More recently we enjoyed breakfast with the neighbors around the Prewitt dining table on Friday mornings. Patty loved shopping for the family at Christmas and the family Christmas celebrations were a treat to behold. She also loved bouquets of fresh flowers and searching for unique antiques.*

*It was so difficult to watch her declining health. She will be greatly missed. Janis & Gary Astin*
