Rex and Betsy were such wonderful people. I think of Rex every Sunday when I fix my hair. Rex sat behind me in choir and teased me often about not getting the back of my hair as nice as the front. I was asked to do a solo and commented that it might be easier for me if I turned and faced the choir, at which time Rex commented that then everybody would see the back of my head. He also mentioned that Tracey often didn't get the back of her hair fixed right either. He mentioned we should learn to use a mirror. They will both be missed.

The view from our front yard will never be the same. We have shared many good memories and some of my favorite ones were the times you would come to my Psychology classes to demonstrate hypnosis to the kids. You will forever be missed. “ Please accept our sympathy in the loss of your dad, Rex. We have fond memories of him and your mother from the Friday night dances in Paducah. Oh, how your dad loved to waltz. I always knew when he was going to try his special waltz step (which I could never get), he would get a twinkle in his eyes and grin on his face. They added so much to those evenings. Our prayers are with you and your families at this time. May your memories bring you great joy. Pat and Greg White

“ My deepest sympathy to your families! Rex and Besty had the biggest hearts and were wonderful people, which i am sure you are aware of. I meet Rex iin 1988 as a bartender at Big Boys. He always called me GG. In 1996 Rex and Besty invited my family to their home on the fourth of July, I have video of my children enjoying their pool and not wanting to leave that day. I seen them about two years ago at Red Lobster and Rex still called me GG, even though he knew i had married, that's who I would always be to him. They will be missed greatly! To your families, sorry for your loss! Most sincerly Gloria Gonzalez Peebels.

“ *Dear Tracey and Scott,
What wonderful memories I have of Rex and Betsy. Of course I knew Rex better since he sang in the choir while I worked at the church, but Betsy was a special lady too. They both were always ready to help with whatever we needed them to do. They were great people and both of them sure did love their family! I have to be honest and say that Rex used to "love" to give me a hard time about the music when I first started working there....but that was just his sense of humor. I am so sorry for your loss, but I know that they are both in heaven now. Rex is giving Jesus a hard time about something....and Betsy is saying "Oh don't pay any attention to him"! My thoughts and my prayers are with your family. My God hold you in His loving arms and comfort and keep you. Much love, Pam Smith*

“ *Whenever I did yard work next door, Rex would often offer his assistance. One time I was working on a patch of ground and he brought over a big front tine tiller for me to use. Another time i was trying to cut a branch off a tree and he had a tool that extended with a saw on the end. Rex and Betsy were great neighbors. I am so sorry to hear about this accident. May God give you comfort during this difficult time. We are praying for you.*
