“ *I was so sad to hear the passing of Robert. My late grandfather Robert Rushiewski was a good old friend of him and they graduated high school together. He took me to Grantsburg,IL to visit him a few times and I immediately took a shine to him.*

*We all loved hunting and fishing. I remembered all the deer heads on his wall. He was one of my grandfathers favorite friends. I respected the man and loved him.*

*I remember how much he loved his grandchildren and had so many pictures on his refrigerator.*

*I still have the hat he gave me as a gift.*

*God bless you Robert! I will miss you!*

*If anyone in the family wishes to contact me you are welcome to.*

*My number is 773-358-8642*

*Sincerely, Cody Connelly*
