“ *As his daughter in law we fought and argued on a daily basis. The wonderful memories of horseback riding and all the other things and places he went and did with ronnie and i are the moments i hold dear and will never regret or forget..he will be greatly missed but we can all take comfort on knowing there is no pain and suffering for him and the last months were hard on him.. he will not be with us in person but always on our hearts..so i say go be with family and friends bob ride lover boy we will see you again*
