“ *I am sooo sorry but yet I know that his smile will light up the Heavens...I am thinking of your Shirley and know that you are missing your side kick. I am so sorry I was not able to come and pay my respects to you and the kids but I was out of town and when my mom told me when the service was I was sad to know I would miss it. He will always be a part of my wonderful memories..His smile, his laugh and the teasing that I always got from him. His smile always carried away with you when you left. I will always treasure that he trusted us with his valuables to sell at auction when I know that it was so hard for him to let go. Mike sends his sympathy as well as he remembers the very younger days of living as neighbors. Please know that if there is anything we can do we are happy to do it.*
