“ Bob - You touched many lives in your short time on this earth. It still seems like yesterday that you would reach down and set Kaitie back on her feet because she was too small to move in the catcher's gear ... and then when she looked up at you and said, "Bob, don't call me out 'cause my grandma is here to watch me" ... that was priceless. You gave so much of yourself ... treating the "world series champs" to DQ treats with the money you had just earned behind the plate ... and I could go on and on. I'm glad I had the chance to say goodbye. I will miss you ... but I know that you will be there watching from the next realm. Peace and love ...
