“ *Ruby was godmother to my sisters and I. She was a coworker of my mother for many years, and a friend for much longer. She was always a part of my childhood, and she was always there for my family in times of need. I remember her as a strong woman with a quick wit and sometimes a sharp tongue, but always generous and caring in her own ways. I love and respect her, and I'll always be grateful that she was in my life. I'm so sorry for your loss. She'll be missed by all of us!*
