Sally will always be remembered by our family as a Loving and Special Lady, I was so grateful to have her and Glenn Babysit for Amanda when she was 3. They treated her like their own grandchild and Sally always had her hair so cute by the time I picked her up I knew she was loved and taken well cared for! She was a blessing to everyone who knew her! God will have a special place for her in heaven, like she has a special place in our hearts forever. “ Our most sincere condolences to your family. Though its been many years, I remember Sally.. And Glen as being warm, kind, and always genuinely interested in us anytime we had the pleasure of running into one another through the years. I remember with much affection many days, as a young girl, spent at Hollys and I recall how fond I was of Sally in those days. What a wonderful legacy Sally leaves. It was my pleasure to have known her. Please accept our apologies for not being there as I just learned of Sally's passing this afternoon. Many loving thoughts and comforting prayers are being extended from my family to yours. Holly and Kevin, we love you all very much and our hearts go out to you all.
