“ *I am heartbroken to hear this news about one of my favorite cousins. She was so intelligent and beautiful, and a mother to top all mothers. She suffered for many years with her health, but never let it get her down. She nursed her husband and brother at home as they laid dying, and she cooked for the whole family. She had been proven to be of Royal blood by DNA testing, but she was the friendliest most down-to-Earth person anyone could ever know. Rest in peace, Dear Shirley June*
