“ *My sister and I were always at Shirley's when we were little girls playing with her granddaughter Shayelin . Shirley was the best person, we were always there and she would help anyone in need and always had a smile on her face. No matter how much time went by between us seeing each other it was like no time had passed. She will be missed dearly. She was one of a kind and had a heart of gold. She always went above and beyond for everyone. Thoughts and prayers for the family.*
