“ *The one memory that stands out for me the most is when my Uncle Stosh took me, Stu and Sharon fishing when we were kids. The one and only time I ever went fishing. Needless to say, I didn't really take to fishing very much. We were catching bluegills. One actually got on my line and started wiggling, it completely freaked me out. I quickly handed the rod to Uncle Stosh. He didn't even yell at me or make me feel like a big baby, he just took and reeled the fish in for me. Rest in Peace Uncle Stosh. Say hello to my grandma for me.*
