We know the Lord loved him and that his soul will now be at peace. I pray that God will comfort you and strengthen you. He was a sweet person and loved you with all his heart.*

“ *He always greeted me with a smile and a big ole hug. The smile he had was a gift from his dad. They are sharing their lives again with no worries or pain. You will be missed greatly and always have a place in my heart. Love you and your family.*

“ There are too many memories with Stetson to recall. I spent my childhood at his house with his Dad, Grandpa, and Grandma. We always spent the day either 4-wheeling, fishing, or swimming in the pond behind his house. Those were some the best days of my childhood.
