“ Trevor, we will miss you stopping by the house talking to Don and I. I know you are in a better place were there is no suffering and and you will be united with your grandma and grandpa. You will have other family members that you can help watch over the rest of the family. You were taken way to early, but , they say God has a plan and a reason for everything. We will always have you in our hearts.

Rest in peace.

We will always love you.
