“ Aunt Verla was a very special person. She was a caregiver to many. She didn't hesitate helping us care for my mother when we needed help. All you had to do was ask and she was there. When I was a child and we visited my grandparents we always knew that if we visited Aunt Verla next door she always had candy for us. I visited her a couple of years ago with my grandchildren and of course she had candy for them. She will be missed in this world because she was a very good person. Barbara Zeigler Elam
