“ *Larae,
apologize for not being able to attend your father's visitation. I didn't know your father personally, but he raised a wonderful daughter that I am blessed to have as a co-worker/friend. Today is a celebration of his life, therefore spend today remembering and sharing all of the great memories. On Tuesday or in the near future I would love to hear more about your father through some heart warming, funny and memorable moments. You, as well as your family, will continue to be in my prayers. Thanks again for just being you!*
