“ I am so saddened by the loss of a wonderful man. I will miss his jokes and general conversation. I would love seeing him drive out to Grandma Della's house once maybe twice a day and sometime he would stop by our home when we were outside. Many times, he would ask me if i needed anything from his garden and i would say no or after much bantering back and forth, take whatever he gave me, but i think he knew that i raided his garden and thats why he asked.

Uncle Wayne..you will be missed by all and then a few more added. Give Ren a big squeeze from her mommy and let her show you around in heaven.
