“ *I will always remember Bill, as my "adopted brother". Bill & Pat were my next door neighbors and the best people you could ever want to meet. I quickly became very attached to them both. One day we were joking around, I asked Pat "Do you care if I adopt Bill for my brother? I never had a brother,& if I had one I would want him to be just like Bill. Pat gave her o.k. to me. Bill will be greatly missed everyone that knew him. I have Not only lost a great friend, but also a brother. RIP my bro Bill. Your Sis Bonnie Kerley*

“ My sincere condolences being sent to Pat, along with prayers that God grant her Peace and comfort. Bill will always be remembered. He and Pat have been my Mom's neighbors for a few years now and he had become the "brother" to her that she never had making him my adopted uncle -- not by blood but by choice. Bill's smile would light up a room and he wore his love and compassion "on his shoulder" as they say, shining brighter than the stars. He will be greatly missed by all that knew him because to know him was to love him. I have no doubt that he danced through the pearly gates and will once again enjoy painted those remarkable and treasured eggs while patiently waiting for his lovely wife, for which his love and adoration was apparent to all that ever saw them together joins him. Rest in eternal peace Bill -----
